Description

En centre-ville, cette crêperie vous propose une carte variant au fil des saisons, autour de produits frais locaux.

This is a detailed street map of Savenay, France, sourced from IGN Geoportail. The map shows a dense network of residential streets, many named after flowers or plants (e.g., R DES GERANIUMS, R DES ROSES, R DES HORTENSIAS). Key landmarks include 'le Rocher' in the northwest, a school ('Coll.') near the center, and several churches ('Éc.') and a gendarmerie ('Gend.') on the right side. A railway line runs along the bottom left, with stations at Epur and Ormeaux. The map also features a compass rose in the top left corner and a 100-meter scale bar in the bottom left. Various other labels such as 'Mairie' (town hall) and 'Cas. pompiers' (fire station) are visible throughout the urban area.
